### PE & SPORT PREMIUM

2017-2018

**1. What is the Sports Premium?**

Sports Premium is money given to schools from the government to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles. The aims are to:

- Develop or add to the PE and sport activities that our school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

**2. Our School Objectives:**

- To improve the quality of PE teaching through continuous professional learning so that all primary pupils improve their health, skills and physical literacy
- To broaden pupils' exposure to a range of sports activities
- To increase participation in sport and maintain this into adolescence
- To increase understanding and value the benefits of high quality PE
- To use high quality PE as a tool for whole school improvement
- To use the Sports Premium grant to build sustainable improvements to health and fitness across our community

**3. Key achievements to date:**

- Continuous professional development: in the past two years staff have undergone training in yoga; gymnastics; dance; forest schools and NPECTS Level 2 – 5
- Our PE Coach is the PE Coordinator for the Wymondham Cluster of schools which has enabled him to keep our school at the heart of cluster PE initiatives, activities and events
- Provision of PE interventions for pupils who require additional support for physical activity
- Thriving and well attended before-school, after-school and lunch-time clubs
- Affiliation with the South Norfolk Sports Partnership has improved our participation in competitive sports

4. Outcomes for teaching of swimming at the end of Year 6

Skill Taught:	Achievement of Year 6 pupils 2016/17
Swim competently, confidently and proficiently over a distance of at least 25 metres	All pupils
Use a range of strokes effectively	All pupils
Perform safe self-rescue in different water-based situations	All pupils

5. Areas for further improvement and baseline evidence of need:

- Audit of playground equipment has shown that there is a need to refresh play equipment to provide wider access for pupils with sensory and physical impairments
- Currently, school PE planning resources are out of date. Several updated schemes are now available. We need to investigate these with a view to purchasing a high quality resource which also gives us possibilities for assessment activities
- Some of our less advantaged pupils are not attending PE clubs. Increase attendance for this group of pupils

Staff will observe, take part in and develop their own skills within lessons led by the specialist. In addition, outside specialist coaches will be brought in to further enhance and develop teaching in areas such as dance, tennis and capoeira.

**Experience and Expertise:**

**Ian Constance – KS1 and KS2 PE sessions once per week**

Ian Constance has been working as a PE coach for the past 12 years. He began coaching an after-school football club and from there trained to be able to coach a variety of different sports activities. Ian coaches pupils in three different settings: Morely CE VA Primary School, Tacolneston CE VA Primary School and Harleston CE VA Primary School. He has become the PE Leader for Tacolneston and Morley and organises a variety of different PE experiences for the children to participate in. He also helps to organise events for the Wymondham Cluster. Ian completed the Norfolk PE Competence Teaching Standards qualification last year and is working towards Level 4 in Leadership and Management of PE in Primary Schools. As well as providing PE sessions during the week, Ian also runs two very popular multi-sports clubs for children of all ages and abilities.
