Friday 4<sup>th</sup> January 2019

Dear Families

**Happy New Year and welcome back to school...**

I hope you all had a peaceful and happy Christmas and New Year celebrations. Once again, thank you so much for your generosity in the lead up to Christmas – both for all the charitable fund raising that you supported us with and the cards and gifts that were given to staff. We are so lucky to work for such a kind and giving community of people.

#### **Governing Body**

In December, our Governing Body elected a new Chair and Vice Chair. Our new Chair of Governors is Robert Culyer and our Vice Chair of Governors is Peter Jackson. Robert and Peter have been serving on the Governing Body, in different capacities, in the past and they have both given many hours of their time for our schools and do an excellent job (as do all of our governors) of holding the Federation leadership team to account and helping us to continue to grow and improve.

We currently have **2 vacancies** for governors and would urge those of you who have the time and interest to put yourselves forward for this rewarding work. If you would like more information, please speak to me or our Office Managers – Lindsey and Ria. You can also contact Robert or Peter at the following email addresses:

#### **Parent Forum:**

If you are able to spare the time, I would really love to see as many of you as possible at our next Parent Forum meetings. Babies and toddlers are welcome – our meetings are quite informal but they are a great opportunity to share views, opinions, concerns and innovative ideas for our schools. Leading happy and vibrant schools is a partnership with parents/carers and I have learnt so much from listening to you.

Our next meetings are:

**Morley – Friday 8<sup>th</sup> February, 9am to 10am / Tacolneston – Friday 15<sup>th</sup> February 9am to 10am.**

**Value for Life:**

Our value for life this term is wisdom and we will be focusing on The Bible stories of Solomon and The Wise and Foolish Builders.

*Confucius was an ancient Chinese teacher. He lived more than 2500 years ago but such was his **wisdom** and understanding that his teaching is still remembered today.*

*Confucius wanted everyone to see the importance of making **wise** and thoughtful choices.*

*One of his sayings is...*

*'Everything in creation has a beauty of its own but not everyone is able to see it.'*

Best wishes for a happy, peaceful and fulfilling 2019.
