

# Our School Vision and Values

Our Mission statement and School Values underpin everything that we do. We are proud to serve the whole community and it is our aim that through working together, we shape the child and the adults within it, to live fully and ***As each has received a gift, use it to serve one another, as good stewards of God's varied grace. 1 Peter 4:10***

## Our Mission Statement

**With the love of God**, we will create a learning environment where high expectations and the teaching of Christian values ensure that everyone is cared for, valued, encouraged and able to achieve their full potential. God has given each one of us gifts and talents and we want to use these gifts and talents to help others so that all can benefit from the good that God provides.

*Work together, learn together, grow together...*

## Our Context

We are an inclusive school, where everyone has a valuable contribution to make to our school community. We recognise and appreciate that for many of our families, Christian faith is important whilst others may have other faiths or none. We are a Church of England school and therefore much of what we do is influenced by the Christian faith. We hope that as the children journey through the school they would begin to understand God's heart for them, to know that His love is both wide and deep, that he delights in their very being. Our School Values, based on Christian principles are embedded and reflected in all that we do. These Values have been chosen by the school community as a set of moral standards we should understand and try to 'live'. They align with the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs
