Thursday 12<sup>th</sup> March 2020

Dear Parents/Carers

**RE: Covid-19 and Potential School Closure**

It is understandable that many of us are concerned about the health and safety of our children, families and friends at the current time. I want to reassure you that, we are putting our children first and following all of the Government and Local Authority Education Department guidance.

We have given our children additional guidance about hand washing and we are being extra vigilant about sickness. We have some children in our midst who have pre-existing medical conditions so we are used to practising vigilance in this regard.

We were planning to take a group of children to Wembley Arena on the 17<sup>th</sup> March but, as of today, this event has been postponed until May. We will be sending out further information about the arrangements for this event in due course.

In the event of school closure, we have prepared work for your children to complete at home. In the next few days, you will find this work and accompanying resources on your child's class page on the school website.

I am aware that some of our children may not have access to a computer at home. If your child is in this position, please let us know. We may be able to loan out school laptops.

I am aware that the Local Authority are considering arrangements for children who receive free school meals and I will ensure that information is disseminated to those parents/carers concerned.

We will be maintaining contact with our school communities via email and texts during a closure, and you can also contact us at our office email addresses as given at the head of this letter.

Yours sincerely

Laura Green

Executive Head Teacher
