	<a href="#">Rosie Reverie, Engineer; Andrea Beaty and David Roberts</a>	

Please note this was created for use with pupils and their families for digital story-times during school closures or to support PSHE delivery at this difficult time. I have used YouTube links to enable equity of access; I hope authors and illustrators are okay with this. I am sure that many readers will be inspired by what they read and will buy a book or two if they can. Any suggestions of additional books (with digital version) or resources will be gratefully received. 😊
