

Dear Robins

*It has been so lovely to see all of the lovely activities you have been doing in the Robins Google classroom, you are all being so creative (including parents!). We love seeing how well you are getting on and hearing all your news. I have been busy watching some of the Maddie Moate videos on YouTube and we are excited about our caterpillars too, I'll post some more pictures as they are getting big now. We made a lucky dip at Morley this week and had great fun playing hide and seek in the sun last week.
Mrs Cheese :)*

***I am so proud of how well you have adapted to home schooling whilst the school is closed and look forward to seeing your efforts on the Google Classroom. Over the last few weeks I have learnt to crochet, embroider and to do felt applique. I had a lovely day at Morley last week making wet felt snakes and playing bingo in the sunshine with some familiar faces. Look out for some photos and stay safe.
:-)Mrs Ketley***

We hope you have enjoyed choosing activities from the bingo grids and creating your own learning over the last two weeks. Here are some updated bingo grids for you to choose from during the next fortnight, Some of the activities have stayed the same, with the addition of a few new ideas and activities Don't worry if you haven't completed them all, remember you can pick and choose the activities that feel right for you and spread the activities out across the week.

We would love to continue to see your learning, so please post comments, images or videos on the google classroom stream or send us an email. Robins Team xx

Maths Bingo Challenges

<p>Have a go at one of the White Rose Hub online lessons Watch the video and have a go at some of the questions.</p> <p>https://whiterosemaths.com/homelearning/</p> <p>These are easy to follow and if you are unable to print the questions you can talk through some together.</p>	<p>Practise your maths fact fluency using a game for I see maths</p> <p>http://www.iseemaths.com/maths-games/</p> <p>If you cannot print then create your own versions</p>	<p>Try out one of these fun Maths on the move challenges or number trails.</p> <p>https://drive.google.com/open?id=1vIOJvF0H6dy6bho8Nuf1EixtyYGHN8he</p> 	<p>Inspire maths games</p> <p>Have a go at one of the games the children have tried out at school.</p> <p>https://drive.google.com/open?id=1oKELyYjCh2QojdktMU64AWqoxN5jPyd</p>	<p>Make groups of 10 in the garden to practise your numbers to 100</p>  <p>23</p>
