

Dear Robins

We have continued to enjoy seeing all of the learning and activities you have been sharing on google classroom and also look forward to seeing some of you back at school soon. All the staff in Robins have been busy learning new things too and enjoying time with our families.

*Here is the second weekly letter for this half term, still in a bingo style so that you can pick and choose the activities that feel right for you and spread them out across the week. Don't forget to dip into the **Ongoing Activities One Stop Shop** on google classroom, if you fancy different or additional activities. This includes links to previous online learning that you may still find useful, ongoing challenges and activities as well as a link to printable resources. If you are using WRH online lessons and sheets let us know as we have now subscribed and can share the sheets for after week 5 if you need them.*

We do hope the changes we have made means there is now something to support everyone; please do get in touch via the Robins email if we can help in any way. We would love to continue to see your learning, so please post comments, images or videos on the google classroom stream or send us an email. Robins Team xx

Weekly Bingo Challenges 8.6.20

<p>Please also choose any activities from the ongoing bingo grids below.</p> <p>These include games, online resources, printable packs and other resources that you may find useful.</p>	<p>In your shop have a go at seeing if you can work out how much change your customer needs.</p> <p>Are there different ways you can make the same amount?</p>	<p>Make some coin rubbing art. Count up to total. Count up the red ones, blue ones or green ones? Which are more or less?</p> 	<p>Use coins to make a picture and then add up the total. Try to make a picture using a set amount too.</p> 	<p>How to give change</p> <p>Take a look at the video and play the games and quiz.</p> <p>https://www.bbc.co.uk/bitesize/topics/zp8dmp3/articles/z2s6hv4</p>
<p>Read this beautifully illustrated story</p> <p>https://drive.google.com/open?id=1K9M1-9rsdjLyzd-4k19q0fOUD431LHy</p> <p>Can you write a description of one of the beautiful pictures?</p>	<p>Watch this video - it is amazing. Talk about and perhaps create some of your own art.</p> <p>https://thekidshouldeethis.com/post/story-of-flowers-botanical-animation-azumamakoto</p> <p>Make a list of what you see.</p>	<p>Create some seasons pictures or collages.</p>  <p>Perhaps you could write a season poem</p>	<p>What happens in each season?</p> <p>https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-wonders-of-nature-the-changing-seasons/zh4rkmn</p>	<p>Make a sycamore seed spinner</p> <p>https://schoolgardening.rhs.org.uk/Resources/Activity/Make-a-Seed-Spinner</p>
