Battery Recycling

Thank you to all those who are bringing in their batteries. The tubs will be being emptied at the end of this month so please bring in any batteries you may have for recycling and deposit them in the tubs at reception.

Printer Cartridges

Thanks to everyone who donated used printer cartridges to the school. The box was collected last week and we are waiting for a total for the funds raised. **Please can we remind you that they do not accept unbranded cartridges or Epson and Brother.**

Drop Off Time

We are noticing that some children are gathering at the gate in the morning and playing with children from different class bubbles. Please ensure that you keep your child with you until the gate opens and then take your child to their class room back door. Thank you for continuing to follow our COVID safety measures.

Last week, Sparrowhawks class took part in Maths Week England's "Rockout" on Times Table Rockstars, which saw pupils across England battling to earn points for their school. Well done to all of you who took part. Four of our pupils scored over 1,000 points each: Mollie, Fabio, Kerris and Betty. What a lot of good tables knowledge!

Please help us to collect some more sugar. In previous years we have collected 30 bags of sugar but we only have 5 this year so far! Sugar for Shelters will be collecting from school next Friday. Any donations can be left on the table in the foyer.

Many thanks in advance.

Christmas Lunch

We will be holding our Christmas lunch on Thursday 17th December when the children will be enjoying the party menu. This includes sandwiches, sausage rolls, crisps and 'Rudolph' snacks (carrot sticks), Christmas Pudding Krispie Cake and a satsuma.

On Tuesday 15th December the kitchen will be busy preparing food for Morley's party lunch so there will be a reduced menu here at Tacolneston.

This will be;

Chicken and tomato Pasta with pea and sweetcorn medley or
Jacket Potato with cheese and baked beans

Followed by Dinky Doughnuts

There will be no packed lunches available on either Tuesday or Thursday that week.

MUSIC PERIPATETIC LESSONS

I am excited to announce that I have managed to secure a new woodwind teacher to deliver clarinet, oboe, flute, saxophone or bassoon lessons and a string teacher to deliver violin, viola or cello lessons. If we have enough children interested, I am hoping that we can start these lessons from January. At the moment I am unable to specify exactly how much the lessons will cost as it will depend on how many children would like either individual or group lessons. The lessons will take place during the school day.

If your child is interested in starting (or returning) to learn one of the above instruments, could you please email me at eagles@tacolneston.norfolk.sch.uk with your child's name, which instrument they are interested in and whether you would be looking at them having an individual lesson or a group session. I will then look into timings and costings and get back to you before the end of term.

If you have any questions, please do not hesitate to contact me on the above email address.

Reading Challenge 2020-2021

Well done to all of those pupils who have already achieved the first stage on the reading challenge for this academic year. Please remember, everybody should be reading at home at least five times a week and getting their reading record filled in and signed. It would be lovely to have everybody's name up on the Reading Challenge display before the end of this term, and hopefully many names will be up more than once.

Curl up with a good book and keep reading :)
