

## Eagles – Year 4 Spellings for Autumn 2 2020

Rather than sending home a spelling list each week, I am enclosing the complete list of all the spellings that we will be working on throughout the autumn. Please do not hesitate to request another list from me if you need a spare at any time. Children will do a short test each Monday.

**All children should work on the easy to misspell words** which have been taken from the years 1 and 2 curriculum. We ask that children try to learn at least one or two of the words from our weekly spelling pattern and have also included some of the tricky words from the year 3 and 4 curriculum.

Spellings will be given out on the dates listed below and tested the following week.
