

EYFS Computing Knowledge Organiser

E-Safety

Children will learn about the importance of not talking to **strangers** and what to do if they don't feel safe.

They will also learn that it is important to ask **permission** from an **adult** to use a digital device.

Vocabulary

Stranger- someone who you don't know.

Permission- ask before you do something.

Adult- this could be your teacher or a grown up at home.

During their time in the **Foundation Stage**, children will be using a variety of information technology. This will then be built upon as they move to **KS1**.

Information Technology

We will use the internet to search for key information. We will learn how to search safely using Safe Search Kids and what to do if we see or hear things online that are not appropriate for children.

Vocabulary

Mouse

Screen

Keyboard

Computer

Tablet
