Split the children into two lines at either end of the semi circle. Both children enter the bath jumping towards each other until they meet. When they meet they must play rock, paper, scissors against each other until one child wins. The winner continues jumping down the path in the same direction, whilst the other side allow their next player to start jumping.</p> <p>Lefty/righty: in their groups, children stand in a straight line. The child at the front passes the ball backwards to their left, then next to their right. This is repeated until the child at the back receives the ball. This child collects the ball and runs to the front and repeats. Once the child who started at the front returns to the front, the team can sit down.</p>
