Policy Statement

All pupils in the St. Benet’s family of Academies are entitled to support for their individual needs enabling them to develop skills, knowledge and understanding to ensure they meet their potential.

Tacolneston and Morley CE Primary Academies Federation

[thereafter referred to as The Academy] believes that:

- All pupils with SEND are entitled to a broad and balanced curriculum that satisfies their individual learning needs by employing realistic and achievable methods.
- Pupil’s learning occurs alongside their emotional, physical and spiritual development.
- All teachers within the Academy schools are responsible for meeting the needs of their pupils using High Quality, Adaptive Teaching.
- All staff will use their “best endeavours” to meet the pupil’s needs.

Parents/Carers play an important role in each Academy supporting their child/young person:

- Pupils are expected to be active learners and will be consulted alongside their parents/carers to secure their success within each Academy.

- Pupils should be educated in a positive, caring and stimulating environment where everyone, including parents/carers, feel valued and are confident the pupils can achieve the best outcomes they are capable of.

1. Identifying SEND

1.1. The Academy has a clear approach to identifying and responding to SEND and recognises that early identification and effective provision improves long-term outcomes for pupils.

1.2 In determining if a pupil may require special educational provision to be made for them, the Academy will consider evidence from a range of sources, which may include, but is not limited to:

- Views of the pupil
- Views of parent/carers
- Views of Academy staff
- Assessment and progress data
- Response to support
- Specialist assessment

1.3 The Academy will use this information to determine the level of support that is needed and whether it can be provided by adapting the school's core offer, or whether something different or additional is needed.

1.4 Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

1.5 Difficulties related solely to limitations in English as an Additional Language (EAL) will not be recorded as SEN.

1.6 Persistent disruptive or withdrawn behaviours, or wider pastoral needs, will not automatically be recorded as SEN.

2. Definitions

2.1. For this policy, in accordance with the SEND Code of Practice (2015) a pupil is defined as having SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her, namely provision that is '*different from or additional to*' that normally available to pupils of the same age.

2.2 A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- Has a significantly greater difficulty in learning than the majority of others of the same age, or

- Has a disability which prevents or hinders him or her from making use of educational facilities generally used by peers of the same age.

2.3. Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

2.4 The Academy recognises that pupils who are disabled do not necessarily have SEN, however there is a significant overlap between these two groups and many pupils who are disabled may also be identified as requiring SEN provision.

2.5 Through completion of the Norfolk IPSEF the Academy reviews how well equipped it is to identify needs and provide support across 4 broad areas:

- Communication and Interaction (C&I)
- Cognition and Learning (C&L)
- Social, Emotional and Mental Health difficulties (SEMH)
- Sensory and Physical needs (S/P)

Communication and Interaction

The Academy recognises that:

2.6. Pupils with speech, language and communication needs (SLCN) have difficulty in communicating with others, often because they have difficulty saying what they want to, understanding what is being said to them or they do not understand or use social rules of communication.

2.7. Pupils with Autism Spectrum Conditions (ASC), including Asperger's Syndrome and Autism, can have particular difficulties with social interaction.

2.8. The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all the different aspects of speech, language or social communication at different times of their lives.

Cognition and Learning

The Academy recognises that:

2.9. Pupils with cognition and learning difficulties may require additional support to access learning or learn at a slower pace than their peers.

2.10. Learning difficulties cover a wide range of needs, including Moderate Learning Difficulties (MLD), Severe Learning Difficulties (SLD) and Profound and Multiple Learning Difficulties (PMLD).

2.11. Specific Learning Difficulties (SpLD) affect one or more specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.

Social, Emotional and Mental Health (SEMH) difficulties

The Academy recognises that:

2.12. Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn or isolated, or displaying challenging, disruptive and disturbing behaviour. These behaviours may reflect underlying mental health difficulties such as anxiety or depression.

2.13. Events such as bullying and bereavement can lead to wider mental health difficulties. Such events will not always lead to a pupil having SEN but it can impact on their wellbeing and sometimes this can be severe. Provision is made through the Academy's core offer of pastoral support to meet short-term needs. Where there are long-lasting difficulties the Academy will consider whether the child might have SEN.

2.14. SEMH needs include a wide range of disorders including Attention Deficit Disorder (ADD), Attention Deficit Hyperactive Disorder (ADHD) and Attachment Disorder (AD) which may or may not require SEN provision.

2.15. The Academy will ensure that provisions and allowances are made for the ways in which these SEMH difficulties can influence the behaviour of pupils with SEND within its Behavioural Policy, including how it will manage the effect of any disruptive behaviour so that it doesn't adversely affect other pupils.

Sensory and/or Physical (S/P) needs

The Academy recognises that:

2.16. Some pupils require reasonable adjustments to be made because they have a Vision Impairment (VI), Hearing Impairment (HI) or Multi-Sensory Impairment (MSI). The Academy will ensure staff understand that:

- Some conditions can be age-related and can fluctuate over time.
- Some conditions can be met through provision of auxiliary aids and/or reasonable adjustments which enable access to learning.
- Some conditions are more complex and will require SEN provision to be made.

2.17. Under The Equality Act 2010 (Disability) Regulations 2010, the following conditions do not constitute a disability:

- A tendency to set fires
- A tendency to steal
- A tendency to commit physical or sexual abuse towards others
- Exhibitionism
- Voyeurism

2.18. Some pupils with a physical disability (PD) require additional ongoing support and equipment to access all the opportunities available to their peers.

2.19 Pupils who have sensory and/or physical impairments may require specialist support or equipment to access their learning, regardless of whether or not their impairment falls

under the SEND definition, and the SENCO will ensure that their provision needs are being met.

2.20. The Academy understands that individual pupils often have needs that cut across all four broad areas of need and pupils' needs may change over time.

3. Objectives

3.1. The Academy will meet the core aims of this policy by achieving the following strategic and measurable objectives:

- To follow the graduated approach outlined in the DfE's 'Special educational needs and disability code of practice: 0 to 25 years'
- To monitor the progress of all pupils to aid the earliest possible identification of SEND

4. Roles and responsibilities

4.1. The Local Governance Committee should appoint an individual governor or sub committee to oversee the Academy's arrangement for SEND.

 - Our Accessibility Plan, showing how we plan to improve access over time

6. Children with specific circumstances

Looked After Children (LAC)

6.1. Pupils at the school who are being accommodated, or who have been taken into care, by the LA are legally defined as being ‘looked after’ by the LA.

6.2. The Academy recognises that pupils who are looked after are more likely to have SEND, and it is likely that a significant proportion of them will have an EHC plan.

6.3. The Academy has a designated member of staff for coordinating the support for LAC.

6.4. Where that role is carried out by a person other than the SENCO, designated teachers will work closely with the SENCO to ensure that the implications of a child being both looked after and having SEND are fully understood by relevant school staff.

English as an Additional Language (EAL)

6.5. The Academy will give particular care to the identification and assessment of the SEND of pupils whose first language is not English.

6.6. The Academy will consider the pupil within the context of their home, culture and community.

6.7. Where there is uncertainty about an individual pupil, the Academy will make use of any local sources of advice relevant to the language group concerned, drawing on community liaison arrangements where they exist.

6.8. The Academy appreciates having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

6.9. The Academy will look carefully at all aspects of a pupil’s performance in different subjects/areas of development to establish whether lack of progress is due to limitations in their command of English or if it may arise from SEND.

7. Admissions

7.1. The Academy will ensure it meets its duties set under the ‘School Admissions Code’ by:

- Not refusing admission for a pupil whereby the Academy is the named Education Setting in Section I of their EHC plan.
- Considering applications from parents/carers of children who have SEND but do not have an EHC plan.
- Not refusing admission for a child who has SEND but does not have an EHC plan because the school does not feel able to cater for those needs.
- Not refusing admission for a child who does not have an EHC plan.
- Adopting fair practices and arrangements in accordance with the 'School Admissions Code' for the admission of children without an EHC plan.

7.2. Arrangements for the fair admissions of pupils with SEND are outlined in the Admissions Policy and will be published on the school website.

8. Involving pupils and parents/carers in decision-making

8.1. Parents/Carers of pupils with SEND will be encouraged to share their knowledge of their child; the Head Teacher and SENCO will aim to give them the confidence that their views and contributions are valued and will be acted upon.

8.2. Parents/Carers will always be formally notified when the Academy provides their child with SEND support.

8.3. Decisions on whether the Academy will commission additional specialist provisions will be discussed with parents/carers and, when appropriate, the pupil involved.

8.4. Decisions about education will not unnecessarily disrupt any health treatment underway.

8.5. The planning that the Academy implements will help parents/carers and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Where possible, bring together relevant professionals to discuss and agree together the overall approach.

8.6. The class teacher, supported by the SENCO, will meet with pupils and their parents three times per academic year to set clear outcomes, review progress, discuss provision and support, and identify parental responsibilities.

9. Joint commissioning, planning and delivery

9.1. The Academy is committed to ensuring that pupils with SEND can achieve their ambitions and the best possible educational outcomes, as well as other opportunities, such as securing employment and living as independently as possible.

9.2. The Academy will work closely with local education, health and social care services to ensure pupils get the right support.

9.3. The Academy will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

9.4. The Academy will draw on the wide range of local data sets about the likely educational needs of pupils with SEND to forecast future needs, including:

- Population and demographic data.
- Prevalence data for different kinds of SEND among children and young people at the national level.
- Numbers of local children with EHC plans and their main needs.
- The numbers and types of settings locally that work with or educate pupils with SEND.
- An analysis of local challenges or sources of health inequalities.

9.5. The Academy's Data Protection Policy will be adhered to at all times.

9.6. The Academy will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for pupils with SEND.
- Increasing the early identification of pupils with SEND.

9.7. Where pupils with SEND also have a significant medical condition, their provision will be planned and delivered in coordination with their Individual Healthcare Plan (IHCP).

9.8. SEND provision will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

10. Funding

10.1. The Academy will allocate the appropriate amount of core per-pupil funding and Element 2 notional SEND budget outlined in the Local Offer for the SEND provision of its pupils.

10.2. If a pupil's provision exceeds £6,000 per year (nationally agreed threshold), the Academy will apply for additional Element 3 (top-up) funding from the LA through the submission of an Individual Needs Descriptors in Educational Settings (INDES).

10.3. Where pupil-specific Element 3 top-up funding is allocated, the Academy will ensure this is used to meet that pupil's provision needs.

10.4. When a pupil's needs have changed significantly, the Academy will submit a revised INDES.

10.5 The Academy recognises that if a pupil allocated Element 3 funding leaves the setting, the Academy is responsible for informing element3funding@norfolk.gov.uk within 14 days.

11. Local Offer

11.1. The Academy's governing board will collaborate with and support the LA in developing and reviewing the [Local Offer](#), where necessary and appropriate, to ensure that it is:

- Collaborative: Where appropriate, the Academy will work with LAs, parents/carers and pupils in developing and reviewing the Local Offer. The Academy will also cooperate with those providing services.
- Accessible: The Academy will collaborate with the LA during development and review to ensure that the LA's Local Offer is easy to understand, factual and jargon-free; is structured in a way that relates to pupils' and parents/carers' needs, e.g. by broad age group or type of special educational provision; and is well signposted and publicised.
- Comprehensive: The Academy will help to ensure that parents and pupils understand what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The Academy will assist the LA in ensuring that the Local Offer includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
- Up-to-date: The Academy will work with the LA to review the Local Offer to ensure that, when parents/carers and pupils access the Local Offer, the information is up-to-date.

11.2. The Academy will provide the LA with information about their existing SEND provision and capabilities to support pupils with SEND to aid in the drafting of the Local Offer, where required, through submission of the IPSEF, INDES and Community Directory information.

12. Graduated approach

12.1. Once a pupil with SEND has been identified, the Academy will employ a graduated approach to meet the pupil's needs following the 4-part cycle of:

- Assess: Establishing a clear assessment of the pupil's needs.
- Plan: Planning, with the pupil's parents/carers, the adjustments, support and/or interventions to be put in place, as well as the expected impact on progress, development or behaviour, along with a clear date for review.
- Do: Implementing the provisions, with the support of the SENCO.
- Review: Reviewing the effectiveness of the provision alongside the pupil and their parents/carers and making any necessary revisions.

13. Assessment

13.1. The Academy will, in consultation with the pupil/learner's parents/carers, request a

statutory assessment of SEND where the pupil's needs cannot be met through the resources normally available within the school.

13.2. The Academy will meet its duty to respond to any request for information relating to a statutory assessment within six weeks of receipt.

13.3. The Academy will gather advice from relevant professionals about the pupil/learner concerned, including their education, health and care needs, desired outcomes and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

13.4. In tracking the learning and development of pupils with SEND, the Academy will:

- Take seriously the concerns and insights of the pupil and their parents/carers.
- Set pupils challenging targets.
- Track pupils' progress towards these outcomes.
- Review additional or different provisions made for them.
- Promote positive personal and social development outcomes.
- Base approaches on the best possible evidence and ensure that they are having the required impact on progress.

13.5. Detailed assessments will identify the full range of the individual's needs, not just the primary need and include [the 2021/2022 statutory arrangements for assessment](#) in conjunction with existing school arrangements.

13.6. Where a pupil continually makes little or no progress, despite High Quality Teaching and targeted support or is working substantially below expected levels, the school will consult with parents/carers before involving specialists.

14. Training

14.1. Staff members will keep up-to-date with any necessary training, which will be coordinated by the SENCO, and may be delivered by external agencies, where appropriate.

14.2. Training will cover both the mental and physical needs of pupils with SEND.

14.3. Training offered will be delivered to ensure equality, diversity, understanding and tolerance.

14.4. During staff induction, all staff will receive SEND training.

15. Promoting mental health and wellbeing

15.1. The Academy will ensure that there is a focus on promoting pupils' resilience, confidence and ability to learn in subjects across the curriculum.

15.2. Positive classroom management and working in small groups will be implemented to promote positive behaviour, social development and high self-esteem.

15.3. Specialist services will be sought where a pupil requires access to specialist mental health provision.

- 15.4. Where appropriate, the Academy will support parents/carers in the management and development of their child's social, emotional and wellbeing needs.
- 15.5. Where appropriate, peer mentoring may be used to encourage and support pupils suffering with SEMH difficulties. Mentors will act as a confidant with the aim of easing the worries of their mentee.
- 15.6. When in-school intervention is not appropriate or available, commissioning of specialist services will be considered. The Academy will continue to support the pupil as best it can.
- 15.7. For pupils with complex difficulties, in-school support may include:
- Supporting the pupil/learner's teachers to develop strategies to manage the pupil's behaviour.
 - Additional educational one-to-one support for the pupil.
 - One-to-one therapeutic work with the pupil, delivered by a mental health specialist or an external alternative provision where appropriate.
- 15.8. The school will focus on work that helps to build self-esteem and self-discipline with the aim of addressing disruptive behaviour.

16. EHC plans

- 16.1. The school will fully cooperate with the LA when research about the pupil is being conducted.
- 16.2. The school will provide the LA with any information or evidence needed that is available.
- 16.3. All relevant teachers will be involved in contributing information to the LA.
- 16.4. Where the LA provides a pupil with an EHC plan, the school will involve the parents/carers and the pupil in discussions surrounding how the school can best implement the plan's provisions to help the pupil/learner thrive in their education, and will discern the expected impact of the provision on the pupil's progress.
- 16.5. The Academy will meet its duty to provide views on a draft EHC plan within 15 days.
- 16.6. If the decision is taken not to issue an EHC plan, the Academy will consider and implement the recommendations of feedback from the LA regarding how the pupil's outcomes can be met through the school's existing provision.
- 16.7. The Academy will admit any pupil that names the school in an EHC plan or EHC needs assessment process, following consultation process.
- 16.8. The Academy will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.
- 16.9. All reasonable provisions will be taken by the school to provide a high standard of education.

16.10. Staff will be briefed about any potential problems and a procedure will be put into place to deal with certain situations e.g. through a Risk Management Plan.

16.11. The Academy will specify short-term targets sought for a pupil in terms of specific, measurable, achievable, realistic and time-bound (SMART) linked to their EHC plan outcomes.

16.12. The Academy will review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

16.13. If a pupil's needs significantly change, the Academy will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the governing board or Head Teacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.

16.14. The Academy will ensure that any EHC plan information is kept in accordance with the Academy's Data Protection Policy and disclosed on a need-to-know basis.

16.15. Information regarding a pupils' EHC plan will only be shared with other educational settings if the pupil is transferring there, to help the setting to plan resources.

16.16. The Academy will take steps to ensure that pupils and parents/carers are actively supported in developing and reviewing EHC plans.

16.17. Where necessary, the Academy will provide support from an advocate to ensure the pupil's views are heard and acknowledged.

17. Reviewing the EHC plan

17.1. The Academy will:

- Cooperate with the relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least four weeks' notice of the date of the meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA.
- Ensure that sufficient arrangements are put in place at the Academy to host the annual review meeting.
- Lead the review of the EHC plan, if requested, in order to create the greatest confidence amongst pupils and their parents/carers.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Prepare and send a report of the meeting to everyone invited within four weeks of the meeting, which sets out any recommendations and proposed amendments to the EHC plan.

- Provide the LA and parents/carers with any evidence to support the proposed changes, giving those involved at least 15 days to comment and make representations.
- Clarify to the parents/carers and pupil that they have the right to appeal the decisions made in regard to the EHC plan.

18. Safeguarding

18.1. The Academy recognises that evidence shows children with SEND are at a greater risk of abuse and maltreatment and will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including, but not limited to, neglect and sexual violence or harassment.

18.2. The Academy recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, though are not limited to, any communication difficulties the pupil may experience, and the common assumption that indicators of possible abuse are related to the pupil's complex needs or disability without further exploration, e.g. peer group isolation, injury, and changes to behaviour and mood.

18.3. The Trust will ensure that the Safeguarding and Child Protection Policy reflects the fact that these additional barriers can exist when identifying abuse.

18.4. Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL, in collaboration with the SENCO where appropriate.

19. Transferring between different phases of education

19.1. EHC plans will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new phase.

19.2. The review and amendments will be completed by 15 February in the calendar year of the transfer at the latest for transfers into or between schools.

19.3. The key transfers are as follows:

- Early years provider to school
- Infant school to junior school
- Primary school to secondary school
- Junior school to secondary school

20.2. In all cases, the Trusts written Complaints Procedures Policy will be followed, allowing for a complaint to be considered informally at first.

20.3. Following a parent/carer's serious complaint or disagreement about the SEND provisions being supplied to a pupil, the Academy will contact the LA immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

- Where necessary, the Head Teacher will make the relevant parties aware of the disagreement resolution service.
- [EYFS] Parents/carers are made aware that Ofsted can consider complaints relating to whole school SEND early years provision, if the problem has not been resolved informally.

20.4. The Academy will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the '[Special educational needs and disability code of practice: 0 to 25 years](#)'.

20.5. Following the use of informal resolutions, the case will be heard in front of three people, one of whom must be independent of the management and running of the Academy.

20.6. If disagreements are not resolved at a local level, the case will be referred to the DfE.

20.7. The Academy will fully cooperate with the LA by providing any evidence or information that is available.

20.8. All staff involved in the care of the pupil will cooperate with parents/carers to provide the pupil with the highest standard of support and education.

21.3. The Academy will transfer all SEND Information about pupils to the educational setting that they are transferring to within 15 days of receipt of confirmation that the pupil is registered at another school.

21.4. In accordance with the IRMS Toolkit for schools no paper or digital copies of the pupil's SEND file will be retained by the Academy.

21.5. If a pupil is leaving the Academy to be home-schooled, the Academy will contact the LA to identify where their SEND files should be transferred to.

21.6. If a pupil has been excluded (following guidance from the LA exclusion process), the Academy has a duty to arrange suitable, full-time education from the sixth day of a fixed period exclusion and to provide full details of any SEND provisions necessary, in accordance with the Academy's Exclusion Policy.

21.7. If it is in the best interest of the pupil/learner, the Academy may commission alternative provision, in line with any EHC plans in place, for pupils who face significant barriers to participate in mainstream education.

22. Data and record keeping

22.1. The Academy's records will:

- Include details of SEND, outcomes, action, agreed provision, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour and development of all pupils.

22.4. All information will be kept in accordance with the Trust Data Retention Policy and Data Protection Policy.

23. Confidentiality

23.1. The Academy will not disclose any EHC plan without the consent of the pupil's parents/carers, except for disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.
- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
