Week 2 – 15th September 2023

Our Value for Life this term is Trust.

A Message from Mr Carlyle

This is the end of our first full week of the autumn term and I'm really pleased with the way the children have settled back into the rhythm of school. There is a very purposeful atmosphere in every classroom and a sense of enthusiasm for learning, which comes through strongly when I talk to the children. We are of course very much looking forward to welcoming our reception children in full time from next week – I'm sure a great many of them are raring to go.

As it is the start of term, it is always a good opportunity to check the contact information we have for you, as well as emergency contact details. It's also important that if there is someone different picking up your child from school that you let the office teams know, so this can be relayed to the class teachers.

As you may be aware, the post of executive headteacher of Tacolneston and Morley has been advertised over the last few weeks and I have had the pleasure of showing some prospective candidates round, as well as speaking to others on the phone. The interview process is due to take place next week and I will of course let you know the outcome of that in due course.

Many thanks for your continued support.
Mark Carlyle

Welcome message from FOTS

Many of you will know me but for those who don't my name is Amy and I am the new Chair of The FOTS committee. My husband Simon and I live nearby in Ashwellthorpe with our 2 children. Our daughter Olivia is in Year 2 and our son William graduated from the school in the summer. Outside of being a Mum I am a mental health nurse and you may see me running around the Village after drop off on a Wednesday which is my attempt to get fit!

I feel very fortunate that we chose Tacolneston Primary, both the Children love the school and being involved in school life, especially the summer fete and our amazing Pumpkin trail. I am aware that without FOTS they wouldn't have had the opportunity to enjoy these events or benefit from the funds raised, so now Olivia is a bit older I felt it was time to get more involved.

Over the coming weeks we will do our best to introduce you to our committee, please keep an eye on the FOTS board at the front of the school for more information on the events we have planned over the coming months.

We are currently quite a small committee and are always keen to recruit new members, so if you would like to get involved, please do come and speak to one of us or drop the office an email. I look forward to meeting you all and being part the amazing FOTS team.
