Week 4 – 29th September 2023

Our Value for Life this term is Trust.

A Message from Mr Carlyle

This week I have had the pleasure of showing a number of visitors around the school from St Benet's Trust and it has been a genuine delight to see the children in the classrooms, working hard and being about the ethos of the school.

It will come as no surprise to you all when I say how important reading is in terms of developing learning. Regardless of age, a love of reading and the discipline to read on a regular basis is crucial in order to develop core skills across the curriculum. Your role as parents and families is absolutely key. Hearing children read, talking to children about what they have read, and noting comments in the reading records and modelling positive behaviours have an enormous impact. Never underestimate the difference you can make – and please keep doing what you're doing!

In April 2024 I will be running the London Marathon for the Guide Dogs charity, inspired by Evie, a pupil in year 6 at Morley and Fletch, her guide dog. If you would like to find out more about Evie, her story and why I am running then please visit www.justgiving.com/page/mark-carlyle/evieandfletch. If you can share more widely then that would be fantastic – thank you.

Have a lovely weekend
Best wishes

Mark Carlyle

From FOTS

WE NEED YOU - It's that time of year, we are once again looking to run the Pumpkin Trail during October Half term. Any volunteers to provide, paint and nurture a pumpkin character/theme suitable for children? Remember you don't have to live in the village/use your own house as we have plenty of 'public' spots to fill in gaps. We ideally need 30-50 Pumpkins to make a decent trail.

This is our second biggest fundraising event of a school year so your help would be much appreciated.

If you would like to get involved or would like to know more please email friendsoftacolneston@gmail.com or join our Facebook page Tacolneston Pumpkin Painters.

family action Building stronger families

Family Action Autism/ADHD Support service, supports families of children with neurodevelopmental differences.

Plan Bee – Understanding and supporting your child or young person with additional needs

'Plan Bee' is a FREE 3 week course aimed at parents or carers of children or young people with additional needs including **suspected** or **diagnosed Autism or ADHD**.

During the three week course, we will explore:

- Understanding the full range of needs your child may have.
- Developing a plan to support your child in situations they may find difficult which can then be shared with grandparents, schools and others.
- Strategies for creating an environment in which your child or young person can thrive.
- Sharing experiences, challenges and successes with other parents experiencing similar issues and learning from these.
