Week 30 – 24th May 2024

Our Value for Life this term is Friendship.

A message from Mr Phoenix

We come to the end of a very productive and hard-working first half of the Summer Term. I have been so proud of our staff and children throughout this time - not least because of the work towards and throughout the national tests for Y6 and Y2. But also, seeing our new curriculum approach taking shape and children's enthusiasm for these lessons, reviewing the work children have produced, and seeing the impact of active teaching and learning strategies which are enabling children to think hard and deepen their understanding in all their lessons.

Today has been a special day in school, as it is Ria Durrant's last day here. I have only worked with Ria a relatively short while, but in this time I have seen how she is the friendly face of the school and village, someone who always makes time for everyone, and has a constant smile. On top of this, she runs a superbly well-organised office and does an incredible amount for the school, day in day out.

Thank you to everyone attending the special assembly today. A lovely occasion to say 'thank you' and wish the very best for Ria as she begins a well-earned retirement.

As we head into the half term holiday, I would like to thank you for all the support you constantly give to your child/ren and the school. I hope you enjoy the week and look forward to seeing you again when school reopens on Monday 3rd June.

Thank you from Mrs Durrant

I would like to thank you all for making my last day so special and emotional! A big thank you for the lovely gifts and kind messages. I will miss you all; staff parents and children but I'm sure I will see most of you around the village or when you knock on my door at Halloween!
